## Skill

### Technical

- Programming (R, Python, SQL, Java, XML)
- Tableau Data visualization software
- DB browser for sqlite database system
- Advanced Microsoft Excel
- R studio
- Jupyter Notebook
- Anaconda
- Android studio
- GitHub

### Professional

- A high level of mathematical ability
- A methodical and logical approach
- Accuracy and attention to detail
- Written and verbal communication skills
- Problem-solving skills
- Interpersonal skills
- Team Working skills
- The ability to plan work and meet deadlines

## Award

- |      |   |
|------|---|
| 2015 | Certificate in English Language, Al-Khaleej Training and Education.   |
| 2018 | <ul style="list-style-type: none"><li>- Certificate in Data Analysis in Arab Coders Program, an initiative by Sheikh Mohammed bin Rashid Al-Maktoum.</li><li>- Certificate in Android Development Track in Arab Coders, Program, an initiative by Sheikh Mohammed bin Rashid Al-Maktoum.</li></ul>  |
| 2019 | <ul style="list-style-type: none"><li>- Participant in TechBench HackDay Datathon at Dhahran TechnoValley.</li><li>- Certificate in Data Analysis, Misk Udacity Connect.</li><li>- Participant in Clustering Methods in Data Analysis workshop, Artificial Intelligence (Thakaa).</li><li>- Certificate in multiple courses (Practical Statistics, Business analytics, Excel Modeling, Test a Perceptual Phenomenon, Exploratory Data Analysis, Data Wrangling).</li></ul>  |
| 2020 | <ul style="list-style-type: none"><li>- Participant in Corona Virus Data Analysis Challenge, Saudi Data Community.</li><li>- Certificate in Big Data and Predictive Analytics, Telecommunications Regulatory Authority.</li><li>- Certificate in Data Science, by Telecommunications Regulatory Authority and Google Cloud Developer Community.</li><li>- Certificate in Machine Learning, Google Cloud Developer Community.</li><li>- Certificate in The Art of Data Visualization, KKUx.</li><li>- Certificate in Future Path Career Essential Program, Misk Foundation .</li></ul> |
